Commander's Message

By: William J. Smith

February is "Membership Month". A little over a week ago we hosted the Department Membership Caravan. Not only was the Department Commander in attendance, along with his Senior Vice, but the National Senior Vice Commander was also present. Naturally, the focus was on membership and acquiring new members, with special emphasis on renewing past members who have not yet paid their dues. Even though we turned in another 34 paid members, we are only at about 75% of our goal. Our Senior Vice needs help calling those members who have not yet paid. I have promised my help, and I would encourage a few others to lend us a hand in the next few weeks. If you can make a few calls, please volunteer by notifying me or Mathew.

The Gun Club held a progress meeting on January 25. The consensus was that we have two workable options for modifying the air flow. However, we're calling in a couple more experts to give us their opinions. I'll keep you informed.

AUXILIARY MESSAGE

By: Donna Hedrick

Since there is no meeting in January, we have little news. Attended the caravan on Sunday, January 16th. We are getting close to 100% membership. If you have not sent in your membership for this year, please do so. If you know someone who would like to join, please have them fill out a membership. The next district meeting is February 2, 2011 at 7:30 PM in the Community Room. Our next meeting is February 8 in the Community Room at 7 PM. I am looking for a Girl Stater. This is a girl that finished her junior year in high school. The week is the third year of June. All expenses are paid by the Auxiliary. Please call me if you know someone who may be interested.

GONE BUT NOT FORGOTTEN

Al Abuja, who was our Service Officer for 20 years and a 40 year member, passed away on January 24, 2011.

James Tell, a former member of the post, passed away.

The Chaplain's Corner

I ran across this recently and thought how very true - why wait until it's too late to tell our loved ones that we care . . .

One day a woman's husband died, and on that clear, cold morning, in the warmth of their bedroom, the wife was struck with the pain of learning that sometimes there isn't 'anymore'.

No more hugs, no more special moments to celebrate together, no more phone calls just to chat, no more 'just one minute'.

Sometimes, what we care about the most gets all used up and goes away, never to return, before we can say goodbye, say "I love you".

So while we have it, it's best we love it, care for it, fix it when it's broken and heal it when it's sick. This is true for marriage . . . and old cars . . . and children with bad report cards . . . and dogs with bad hips . . . and aging parents and grandparents. We keep them because they are worth it, because we are worth it.

Some things we keep - like a best friend who moved away, or a sister-in-law after divorce. There are just some things that make us happy, no matter what. Life is important, like people we know who are special. And so, we keep them close!

Suppose one morning you never wake up - do all your friends know you love them? Let every one of them know you love them . . . even if you think they don't love you back.

Live today, because tomorrow is not promised.

After reading this, aren't you inspired to, as God said, "love thy neighbor"? What a great world it would be if we all practiced this. It occurred to me that this month is Valentine's Day, so why not start declaring your love for one another - friends and relatives alike - I love you all and hope the feeling is mutual!

Happy Valentine's Day, and God's blessing!

Your Chaplain, Phil

POST 134 January Executive Meeting News

Financial Report

PC Joe Hedrick

Moved and accepted

Guest PC Ken Trumbull and PC Joe Piento asked for donations to the 7th District Care Package program and the hospital visits. Objected that a village trustee did not pay for New Years Eve party. Asked that the Adjutant be reprimanded for sending the reprimand letter for PC Joe Piento to the State Commander, not keeping it within the post.

Commander

Bill Smith

Range will be discussed at a meeting Tuesday. The company, Best Technology, will be returning to test the range. The Department Caravan that stopped Sunday, January 16th was well handled and we had a full house. Thanked all the members that came.

Commander has been called to serve on the Cook County grand jury starting February 14. This should have no impact on the post except he will not be available during the day. Received a letter from the village that individuals were seen smoking in the Legion area. The letter was turned over to the Corporation President for his action.

Sr Vice Commander

Matt Ingram

Absent, job out of town this week

1st Jr. Vice Commander

Kurt Lepinski

Reported for Sr Vice membership stands at 629. One transfer to the post turned in to the Adjutant. Rush Arena Football offers group discount to the post. He will bring up at meeting to see if we have the minimum 10 who would like to go. New Years Eve Party, problem that free entry was given for the band, bartender, houseman, Mayor, Police Chief, and Fire Chief. After discussion, it was voted to do no follow up with the trustee who came and it would be made clear for the future events. St Patrick's Party March 16th will be \$12. Want to use the main hall. Liaison will check with the village

Fund balance will be given Thursday. Stock market is doing very well. There will be a trust committee meeting Monday January 31. Corporation took \$7000 from the trust, first time in two years.
