Commander's Message

By: William J. Smith

Poppy Day has happened. All of the contributions are not in yet, but from what we saw in the counting room we did pretty well. Most of the usual workers turned out and, of course, we thank you for your work and so do the Vets. Some Legion members who worked brought in close to \$1,000.00 and that takes some doing. We had two non-Legion volunteers from Des Plaines who did a bang-up job. Cristy Cochrane, who grew up in Morton Grove, and whose husband Tom works for the Village, called me and asked what she and a friend could do to help. I gave Tom four cans to bring to her, asked her to work any corners she could find in Northern Niles, and Tom brought back four full cans containing well over \$400.00.

There may have been some misunderstanding in the last News Letter about what the Post will pay toward Convention. First, the Convention only includes Wednesday, Thursday, and Friday nights. If you would like to stay somewhere other than the official Convention hotel fine, but the Post will pay for those nights at the rate charged by the official Conventional hotel only. And remember, Department makes a commitment to the Convention hotel for a certain number of rooms at a certain price: and if we don't meet that, Department is charged a higher rate. Second, I have appointed the maximum number of Delegates we are allowed. As far as I know, they are all going so Alternates are questionable. If anyone knows differently, please let me know.

AUXILIARY MESSAGE

By: Donna Hedrick

(847) 965-1774

Our meeting for June will start at 6:30 on June 14, 2011. We will have dinner and then our meeting. Please bring something to share with our members.

I wish to thank every member that helped me with my terms of being Auxiliary President. We have done a lot the past two years, and it was with your help. We had over 100% membership this year thanks to your help. Thanks again to the members that have been a major part of the Auxiliary.

At our May meeting, we had the memorial service for past members. We donated \$50 to the Morton Grove Farmer's Market, \$100 to the Morton Grove Library, and a donation to Gifts to the Yanks. The Jesse Brown group had their monthly bingo night.

At this time, I want to thank Barbara Anderson for her work at Hines Hospital. She has been going to Hines for the past 35 years. She has helped many veterans and only this year stopped going because of her health. We also want to wish Barbara a speedy recovery from her broken leg.

The Chaplain's Corner

I'd like to bring you a 'sermonette' today . . .

Psalm 121 is a beautiful introduction into the Christian doctrine of Holy Scripture. It pictures the tired and weary pilgrim approaching the hills surrounding Jerusalem, the city of Zion, the place of help, rest and sustenance.

"I will lift up my eyes to the hills - where does my help come from? My help comes from the Lord, the Maker of heaven and earth." As the weary pilgrim looked to the hills of Jerusalem for help, so Christians have looked to the Scriptures of the Old and New Testaments for a Word from the Lord who is the Maker of heaven and earth.

PSALM 121 - I will lift up mine eyes unto the hills, from whence cometh my help. My help cometh from the Lord, which made heaven and earth. He will not suffer thy foot to be removed; he that kept thee will not slumber. Behold, he that keepeth Israel shall neither slumber nor sleep. The Lord is thy keeper; the Lord is thy shade upon thy right hand. The sun shall not smite thee by day, nor the moon by night. The Lord shall preserve thee from all evil; He shall preserve thy soul. The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore.

Here's wishing you all a very happy, joyful summer! God bless - Chaplain Phil
