Commander's Message **By: Mathew Ingram**

August was a busy and productive month and September is shaping up to be the same. Many thanks to all of those who attended and helped to make the Annual Picnic and the Installation Dinner a success.

On Sunday, September 11th at 10:00 am, the Morton Grove Fire and Police Departments are hosting a 10th anniversary remembrance ceremony for the victims of the terrorist attacks. The ceremony will be held at the flagpoles in front of the Morton Grove Historical Museum. They have asked the American Legion and the local scouting troops to participate in the ceremony, I urge all of you to attend this solemn event to show our support. We will be providing the invocation and benediction, Color Guard, playing of taps and carrying the service flags. If you would like to volunteer to carry a service flag, please see the Rifle Squad Commander, PC Don Stotz.

Our current renewals are at 50%, we are off to a good start thanks to the hard work of the Senior Vice Commander and the Adjutant. If you have not renewed your membership please do so as soon as possible. We are starting a new program this year in which new members will have

a sponsor to welcome them to the American Legion and show them the value of membership. We need volunteers to be sponsors, if you would like to participate please see myself or the Senior Vice Commander.

Auxiliary Message **By: Myrna Smith** **(847) 673-2197**

I have been out of commission for a month in rehab. I'm getting out this week and I'm looking forward to seeing everyone's smiling faces at our next Auxiliary Meeting on Tuesday, September 13, 2011.

GONE BUT NOT FORGOTTEN

Robert Branick, 32 year post member, passed away March 10, 2011.

PC Phil Hutchins, 30 year member of the American Legion, passed away August 25, 2011.

The Chaplain's Corner

When somebody dies, a cloud turns into an angel and flies up to tell God to put another flower on a pillow. A bird gives the message back to the world and sings a silent prayer that makes the rain cry. People disappear, but they never really go away. The spirits up there put the sun to bed, wake up the grass, and spin the Earth in dizzy circles. Sometimes you can see them dancing in a cloud during the daytime when they're supposed to be sleeping. They paint the rainbow and also the sunsets and make waves splash and tug at the tide. They toss shooting stars and listen to wishes, and when they sing wind-songs, they whisper to us, "Don't miss me too much. The view is nice, and I'm doing just fine."

AND ALL GOD'S CHILDREN SAY AMEN!!!

SO BE IT!

Chaplain Phil

GUN RANGE

The air flow is now sufficient, however, we may need one more vent. We had Joe Wade and his engineer down for a look-see and they seemed satisfied. They had a question on liability insurance and the Village Attorney is checking it out. We're convinced we are within the bounds of acceptable regulations for the range. We are only waiting for Joe's and the Village Attorney's OK.
