Commander's Message By: Mathew Ingram

Legionnaires,

Post 134 will once again be supporting the Morton Grove Park District's Eggstravaganza and Easter Egg Hunt this year on April 6. Our Morton Grove Days/Park District Liaison PC Jerry C. Weaver encourages anyone that would like to help with this event to contact him. The SAL is hosting a cards night on Saturday April 7th in the Post 134 Clubroom. Contact the SAL Commander Jerry Coursey for more information on how to participate in the fun.

With the elections being held in May, now is the time to act if you want to be slated for an officer's position in the Post. Any Legionnaire in good standing can run for office so long as he or she is nominated from the floor on the night of the election, but it is beneficial to the candidates to be known in advance so that absentee voters can cast their vote for a particular candidate in the case of a contested election. As of right now, we have the following candidates:

Candidate for Commander: Kurt Lepinski

Candidate for Sr. Vice: Joe Lampert

Candidate for 1st Jr. Vice: Ray Ariaz

Candidate for Finance Officer: PC Joe Hedrick

If you would like to run, let one of the officers know now so we can post it in the newsletter for next month.

Our Memorial Day Parade and ceremony is just around the corner. If you would like to participate, I highly encourage you to do so. If you know of someone that we could bestow the honor of being our guest speaker for the event. Please let me or the Sr. Vice Commander know.

Still Serving America,

Mathew Ingram
Post 134 Commander

Congratulations to Morton Grove Police Officer Dennis Johnson for being selected as Morton Grove, Post 134, Peace Officer of the Year 2012. (Officer Johnson center)

Congratulations to our new
Corporation Officers

Ken Trumbull, President
Joseph Hedrick, Vice President
Joseph Piento, Finance Officer
Kurt Lepinski, Secretary

Auxiliary Message
by: Myrna Smith

Let me first address my absence from the newsletter. The reasons are immaterial and not worth discussion. What IS important is that we are together again.

The auxiliary is coming along nicely, thank you. We just had our March meeting that went well. We welcomed back a long time member, Sharon Marten. We are delighted she's joined us.

Our faithful ladies are still attending to our Vets at the various hospitals. Though, for a time, we backed off of North Chicago. The new liaison is and wants to be cooperative, and we are glad to add these vets again to our fold. As you know, all good that we can do for our vets is our goal. With all my heart, let me say, "God bless you all."

GUN RANGE UPDATE
by: Bill Petersen

Hi all. Well, we finally finished up with 3 air walls designed and built by John McGuire. We designed and installed air diverters in the air ducts above the air walls to force the air down into the air walls. We also boxed in the top and bottom of the shooting positions so all the smokes and air will only travel through each shooting position instead of under and over the top. That made a substantial increase in the airflow in the right direction. Right now it's not pretty but looks is not the issue at this point. We are making arrangements to have the range tested again for only airflow because we already passed the lead test. Hopefully all this should be completed soon. As I hear more I'll send out an update and hopefully it will be good news. Keep your fingers crossed.
